NEWSLETTER—July, 2010

Old Pueblo Gourd Patch
General Membership Meeting
Church of Christ • 2848 N. Mountain • Tucson, AZ
July 26th, 2010

President Laura Moreno called the meeting to order at 6:05 pm.

Guests were welcomed by Laura. They were Lou Robinson and Paul Huppe.

Concern was voiced about the wording on the Old Pueblo Gourd Patch website (through the AZ Gourd Society) regarding information on classes. Wanda Shirey is in the process of updating the website.

Irma Brewer presented the Treasurer's Report which was accepted by the membership. We have a current balance of \$1023.44 and have 77 current paid members.

The minutes from the June meeting were accepted by the membership as posted in the latest newsletter.

Norma Mackenzie was congratulated on the wonderful job she is doing with the newsletter. If you are not getting the newsletter, please contact Irma Brewer and verify your e-mail address is current and your dues are paid.

Phyllis Sickles will be doing a presentation with colored pencils on gourds next month. Wanda states we need presentations for October and November this year. Please contact her if you would like to demonstrate a skill.

Thanks to members who brought goodies tonight. They are: Norma MacKenzie, Sandy Ellis, Joyce Pasche and Peggy O'Brien. Volunteers for next month are Jo Clark and Wanda Shirey.

Members doing Show and Tell were: Linda Womble, Laura Moreno, Bonnie Gibson, Lynn East-Itkin, Denise Lown and Wanda Rykman.

Members asked how to make gourds food safe. Maria Dellos stated Mod-Podge could be used to seal the inside of a gourd and it would be non-toxic to food. Others suggested placing a napkin in-between the gourd and the food.

The meeting was adjourned at 6:35 pm and the membership participated in a swap-meet of gourd supplies with the other members.

Respectfully,
Secretary,
Jo Clark
